“ *I came to know Sandy when I was Jacob and Jessica's 3rd grade teacher. She was always super supportive, involved and so funny. I remember thinking how do she and Greg do it? She was a great mom and always so kind to me. My life is better for knowing Sandy and her beautiful family. Rest In Peace. You fought hard. My prayers for the Pankey family.*

“ Greg - God gave Sandy a wonderful journey on earth with you. Giving both of you a beautiful life together with your children - Jacob, Jessica, Samantha, Christopher and Abilgail. She left us with fond memories that we will always remember. She always lighted up the room with her smile and humor and she had so much kindness and love for everyone she came in contact with. Remember she will always be with you in your heart and now she is under the wings of God looking over you and your family.

God Bless you and your family.

Greg, you and your family will be in our thoughts and prayers during this difficult time. Sandra's courage and positive outlook on life was an inspiration to all of us. She had a heart of gold that was shown with her kindness, thoughtfulness and generosity. Sandra was always one that would show up no matter what. She always made sure to ask how I was doing and how the kids were doing. Sandra, you are going to be dearly missed. May you now rest in peace. Love, Carol, Heidi, Alyssa and Joey ❤️

“ Greg,

It is with a heavy heart that we had learned of the passing of our lovely cousin Sandy. Words cannot express how much she will be missed by you, your children and her siblings, and all of her family, extended family, and friends. She provided so much joy to those that she met and always had a way of making each person feel special. She has left this world way too soon, but she has also left her legacy in the wonderful family that the two of you have nurtured over the years. Take comfort in knowing that she is with our Lord and Savior. May the memories that she has left with you through your journey together comfort you in your time of need. We are sending our love and prayers to you, Jacob, Jessica, Samantha, Christopher, and Abigail in your time of need.

Sandy,

*Your life and legacy have proven a life well done
Your family and friends share many memories of fun
Your smile and good nature never took a break
And now are cherished memories you did make
Today we are all sad and will shed a few tears
May you help us, guide us and calm our fears
And although we despair in this time of sorrow
May you watch over us for every tomorrow*

Love,

“ When I got sick a few years ago, Sandy would visit at the hospital always bringing something to pass the time, a crossword book, maybe a word find book, etc...but what I love the most about her was making sure Randy was eating, so she would have a gift card to give to him at the end of our visit, and would not take no for an answer lol! We were taken by her kindness but that was Sandy, a very giving soul to everyone....she shared her experiences with me and answered any questions I had, helped me get thru a rough time like others did from my home group. I'll miss you my friend, we'll miss you...the Good Lord had your seat all ready for you...see you in the next life....

Sandy was exactly as described . We had many conversations about parenting and was so wise. I loved her perspective and she truly was a phenomenal mother who loved her family and friends dearly as she was loved by all who knew her . I knew her from our Girl Scout years and through our daughters high school years . Rest In Peace sweet lady . You will always be in my thoughts and memories .
