“ *Sharon and our family met when we moved into this area and joined Peace and she helped sponsor us and adjust to our new life here. I always enjoyed being friends with Sharon and our children went to school with her children also. Sharon and I spoke about her cancer quite a bit, since I am a cancer survivor. Truly thought that if anyone could survive this one that she would be one. She sure fought hard. Hugs to Kurt, Ian and Chad.*

“ *Many times we chatted and many times we had serious conversations about things that really matter! Shari (Sharon) certainly loved her family and she really cared about hurting, lonely, and discouraged people! I was so pleasantly surprised to walk into my sister Becky Gladden's Bible Study in Pontiac a couple of years ago and see Shari there! Shari was such a blessing to the people of St. Paul as well as the members of Peace! She was a missionary and a terrific support person! She will be greatly missed by so many!*
