“ I only knew Sherry for a short time, but she made quite the impression.

Such a fun and funny person. I have her to thank for naming my blue Hyundai "Nicole" (NOT Nikki, she clarified,) and for turning me onto Yacht Rock. It was a pleasure meeting her for a baseball game, despite having to withstand her hair metal playlist after. She loved music and watching sports, working out in the pool and on her bike with steely determination- but was also a diva who would get dolled up in earrings for any occasion; loved shopping, junk food, kicking butt at Yahtzee, snuggling her pets, boy-watching at any opportunity.

I know she loved her partner and family very much.

Thinking of you guys during this difficult time, and remembering Sherry with much love.
