

Sheri L. Miller

November 12, 1967 - October 22, 2024

MILLER, Sheri L. (née Rust) October 22, 2024. Age 56. Beloved wife of Michael. Loving Momma of Courtney (Alex) Votta and Gunnar Miller. Cherished daughter of Helen and the late Bobby Joe Rust. Dear sister of Thea Rust, Dawn (Jerry) Tromontine, Matthew (Anne) Spurlock and the late Robert "Bobby" Rust. She is survived by many loving nieces, nephews and cousins.

Sheri was a vibrant light of positivity, love, and unwavering kindness. Her empathy and ability to see the best in others were cherished by all who knew her. Her greatest joy in life was being a mother, and she was affectionately known as "Momma" to her honorary children and their families. Sheri was a dedicated presence in the public school system her entire adult life, always striving to help children every step of the way.

An exceptional artist, Sheri was known for her beautiful crochet and scrapbooking. She was also a talented softball player, baker, and wordsmith. While she was a friend to many, her greatest love was reserved for her husband and children.

There will never be another as kind and loving as Sheri. Ever humble, she now joins her brother, father, and grandmother, whom she missed dearly. Her family looks forward to welcoming her spirit as she soars with the cardinals in

their backyard.

“ Sheri and I met when our boys were in kindergarten together, they became best friends quickly and we spent a lot of time talking and spending time together. Sheri is one of those people that lights up a room when she walks in, she is an amazing mother and wife and loved her family with every once of her. I admire how strong she was and how she never gave up, she was one of a kind and I will miss her dearly.

“ Sheri and I went to high school together. We were friends, but not close. We had the same classes and sat near each other. I can still see and hear her in typing class in the morning. She and I always exchanged "Oys" I don't even know why. I think I might have said it once and it stuck. On Facebook we chatted a little but about crochet...she crocheted amazing amigurumi. I was always impressed with her talent. Even though we weren't close and I haven't seen her in person in many years. This news hit me hard. Very sad. My deepest condolences to Mike and their family.
