“ Annie and Josh, how heartbreaking it was the realization that she has left this world to join our Heavenly Father and reunite with your Dad. We so enjoyed our casino trips with her. She was a lovely sweet person with so much love for you both but especially the grandkids I can only hope they remember the wonderful Nana she was. I hope God blesses you as you go through your grieving days ahead. RIP dearest Sheri 🙏

“ Sheri, you will be missed. We enjoy many hours talking about our embroidery patterns. Trying to get our snowman blanket done. We loved to go to Joann’s until they closed. Then stopping for lunch and sharing a sandwich and fries. We were making plans for next week. Everyone at the condo will miss you. But I’ll miss you the most. I hope Sassy will do ok without you! Until we meet again. Love you 🥰 Judy

“ Annie, Josh and families. We are so sorry for your loss and for ours. Remember some of the fun we had when we lived next-door to each other. Those are some good memories and I'm grateful to have them now. We have a special place in our hearts for both your parents, some real good people. May God bless their souls ❤️. Love from Dennis, Debbie and Scott.

“ *Annie & Josh....I am so sorry to hear about auntie Sheri's passing! I know you'll miss her greatly! The kindness she and uncle David showed to me when I was a small and troubled little girl, during turmoil in my youth will not be forgotten. They took me home for a week and made some wonderful memories for me! I love you both as I loved your mom!*
