“ *Teri, Kelly and family, at this sad time, I'm sending, you all, my love and prayers. Shirley was a very special person, I will miss her terribly. Shirley, you left too soon, we had so much left to do. Thank you for being a part of my life for so many years. I'll keep the memories of our laughter, tears, all the darn eating we did and you and your ice cream in my heart always. You wonderful lady, until we meet again, Rest In Peace, my friend.*

“ Teri, Kelly, and family, you all are in my thoughts during this sad time of loss. This is a place to share a memory but I have so many wonderful memories of Shirley that it's hard to choose just one. Every time I seen Shirley she had a smile on her face and when we would do things together as a group, she always made me laugh and smile. I will miss her stories, her hilarious matter of fact comments about things and life, and how scared she got on the haunted hayride at Blake's one Halloween when we went zombie shooting. Shirley was such a wonderful, beautiful, and down to earth person that always made you feel comfortable and welcome. Her loss on this earth has left a void in my heart but the wonderful and happy memories live on! God bless you all!
