“ Dear Amine and LeFevre Families,  
My prayers are with all of you. When I think about Susie, the Christmas party she had in her basement comes to my mind. I dressed up as one of Santa's elves (Tommy's idea!!) and passed out gifts to the kids. Everybody was laughing and smiling and the kids were so excited. She had such positive energy and always with a smile on her face.  
I am sorry for your loss.  
God's comfort and peace I pray for all of you.  
Sincerely,  
Judith Van Antwerp

“ Sue was one of my sister Susanne's best friends high school. I will never forget going to her house and seeing her bedroom for the first time. It was the prettiest Room fit for a Princess. Even though I was the dorky little sister, Sue didn't mind if I came over. She always took a special interest in my life, who I was dating, friends, was I still going to church connected to God. My lifelong friend Arabella married Bob Wujek and my sister married Mike Wujek and Sue n I would see each other at family functions and talk, n talk n talk. Once when she was describing how exciting it was dating cute Anthony she was talking about driving in the car with him. She said " you know when you are super comfortable and you are comfortable enough to change the radio, etc ". It struck me how sweet n special she reLied each step in the process of dating loving one another was... She had style n grace that was of a different era. I adored her. I will miss her forever but know she is alive in our hearts. A ton of little claps, 2 jumps up n down, yay and love you love you love you,

“ The world has lost a very special lady. Sue was such a delightful person, so full of life, so kind. I worked with Sue planning a few special occasions...we laughed a lot & we talked a lot, about life & situations we had both gone through & I will always cherish that time with her...

“ To Mary Lou LeFevre Especially,  
We are so sorry to learn of Suzie's death. Parents should not have to bury their children. Take heart in knowing that You and Bob did one hellava job with your kids. Your example instilled in them the character to be shining lights in their own lives. Suzie is a great example of that. We will keep you and your family in our prayers. And guess what....We'll all be together one day again :o)

“ I am so sorry for your loss. I have known Sue since the 5th grade at Our Lady Star of the Sea. I remember coming to a school where I knew no one and Sue being one of the people I could always count on when I needed a friend. As I still live in Grosse Pointe, Sue and I would run into each other through the years and she was exactly the way she was when we were younger - so caring and full of life and it seemed no matter the situation, she still had a smile on her face. I will always hold a special place in my heart for her. Thinking of all of you and praying for you.
