“ *Aunt Sue, I think of you always. I kept my promise to you and got involved with Cancer organization, and I will continue. I wish I could see more of the boys, but I am happy I got to see one of them on Christmas Eve. Christmas Eve is always hard now because it was always at your house with so many fun memories and that was your day. Your sister Carol, thinks of you often and, we always express how much we miss you. We are going to come visit you today, and just going to sharing our love. I love you. Your Nephew, Kristopher*

“ Jeff, Jeremiah, Joshua, Jacob, Thank-you for allowing me into your home to care for your mother in her final days. I was so glad she could be home to be with her family that she loved so much. May you remember that last week not with sadness but with joy to know she touched so many lives and fought so hard to the very end.

“ It is with great sadness and a heavy heart, that Dave and I have to extend our Deepest Sympathy, at the loss of Susan! Wonderful Wife, Devoted Mother, Loving Daughter and friend to all that crossed her path! She touched so many lives in her time here on earth and anyone lucky enough to have met her was giving a great gift! She taught us all about Trust, Strength and Faith! I am a better person to have known her! She is an Angel, watching over us now and has a beautiful place at the right side of God! God Bless You Susan and thanks, You brought much joy to so many lives!
