“ My deepest sympathy and prayers are with my Keller family. I hope that good memories will ease your grief. My Uncle Ted was truly my favorit uncle and I still have a little stuffed dog that he gave me when I was about 2 years old --which makes it an antique now. I am so sorry that I cannot be back in Michigan to be with all of you; just know that you are in my heart and thoughts. We know he is in a better place and with your mom, all his siblings, parents and dear friends. My love and God's blessings to all of you. Love, Maxine, The Woodlands, Texas

“ I will miss you, Grandpa. You were always the quiet observer, but you never missed a thing. You lived your life on your own terms and you worked hard. I am proud to have had you in my life. Wish I could have been there more for you. All my love to the family as we remember, Traci
