“ Theresa. I love you so much. I can't imagine life without you. I'm going to miss your laugh and candor and love. You have always loved so fiercely, I always knew you had my back and I had yours. We've been through so much together and I'm convinced I'm a better person because of it. I'm so sorry I couldn't be there for your service. I love you forever. You were the best and most devoted friend, mother, wife, and person. Rest peacefully my dear. Hug our moms up there and until we meet again. XO -Andrea
