“Bill, Judy, Steve, Tim and Marie I remember when you moved into your house on Vita Marie. We felt so lucky to have such a wonderful family living next door and our mothers developed a special loving and endearing friendship that lasted throughout their lives. Your mom was a wonderful person with a beautiful and faithful soul. I will remember her kind and gentle heart. You and your families gave her so many reasons to leave this life with much to be proud of and grateful for. All of you are in my thoughts and prayers. With sympathy, Colin and Pam (Taukert) McCarthy”

“I am so sorry to here about you mom. Bill and Theresa Murray were close family friends with our parents, John and Helen Somyak, for the longest time on Lansdowne. Dave and Tom, and I grew up with Billy, Steve, Tim, Judy and Marie. Mrs. Murray was the one of the kindest people and always so cheerful. The neighborhood was never the same after they left.”

“Mrs. Murray was our neighbor on Lansdowne when we grew up as kids. My father had passed away when I was young, requiring my mom to return to work. Mrs. Murray was my child care giver. She had 5 kids of her own and watched me from age 3 - 6. People say you don't form memories at an early age... that is wrong. I so remember sitting with her in the living room at the front of the house. She'd serve kool aid in the kitchen and I loved her colored metal cups. She always asked what my favorite color was. She would happily sit in the front porch with a bunch of kids surrounding her, talk to us, and watch us play. I do not recall a hectic pace despite all going on in her home. She gave me love and hope and kindness in a time when I needed it the most. She taught me at a young age the art of neighboring and this women was my role model.... even though she never knew it. Mrs. Murray's mom made me a beautiful ivory Afghan for my wedding gift.... a wrap of love . How symbolic
❤️ Thank you for showing me Jesus at an early age Mrs Murray!”
