“ *"My Dear Uncle Tom, Always a smile and a twinkle in your eye, and a warm hug. You knew the importance of family being together and celebrating life! Always ready to dance, sing and play the spoons. I have so many, many memories. I'd like to share this one. I was about 13 and had just started to learn to play the guitar. It was Christmas Eve. You and Aunt Barb and cousins Gary, Rick, and Randy always came over before going to midnight mass. My Dad had out his harmonica and we were singing all the traditional Christmas songs and you encouraged me to get my guitar out and play along. I did and after each song you encouraged me to play another, as slow and as poorly as I played, you made me feel as though I was the best guitar player ever and that encouragement kept me playing and getting better for the next Christmas Eve we would sing again. And we did, often, passionately and joyfully! And that was one of your many gifts dear Uncle Tom, you brought much light and love into our lives. I love you so and will miss you very much."*

“Some of my favorite childhood memories involved going to "Uncle Tom's" to go swimming. He was always such a great host, even though I was not actually his nephew. I always felt as part of the family. May he rest in peace and may his smile bring joy to the friends and family he will reunite with in heaven.”
