

Tom Moseley

November 8, 1953 - May 2, 2026

Tom Moseley passed away on Saturday, May 2, 2026, at the age of 72.

He was the beloved husband of Anita Moseley for 49 wonderful years. Devoted father of Emilee (Andrew) Meux. Cherished Papa of Cami and Violet, whom he adored. Loving brother of Judy (Cindee) Moseley. Tom is also survived by many nieces and nephews. He was preceded in death by his parents, Thomas and Patricia Moseley, and his son, Brandon Moseley.

Tom was a proud graduate of the University of Michigan, where he earned his BA in History and met his wife, Anita. He continued his pursuit of knowledge at Oakland University, earning his MBA. Throughout his career, he owned and managed TRAMCO and later spent 23 years with MST Steel Corporation, retiring in 2010 as Vice President of Sales. Even in retirement, Tom remained committed to learning, taking classes focused on the stock market.

Tom had a lifelong love of sports and treasured the friendships he built through his softball team, remaining close with many teammates for more than 30 years. Even after his stroke, his team continued to include him—a testament to the strength of those bonds. He was also proud to have earned the rank of Eagle Scout in his youth, an accomplishment that reflected his lifelong values of leadership and community. Tom had a passion for classic, sports, and vintage cars—especially his prized 2000 customized black Viper.

Above all, Tom loved his family and friends deeply. He was known for his generosity, loyalty, and the genuine care he showed to those around him.

A Celebration of Life in Tom's honor will be held at a later date. Donations may be made in Tom's memory to Henry Ford Macomb Hospital.

“ Sometimes fate can be so cruel. Tom certainly deserved a better one. But Tom managed to make the best out of the cards that were dealt him. Not once in the hundreds of times we spent together did I ever hear him complain. It was always good times with a lot of laughs. So proud to be able to call him a friend. He was one of the most grounded, generous individuals I know. You left us far too soon Tom and your passing leaves a giant hole in the lives of all the family and friends who loved you. I personally will never forget you. We'll meet again someday, old friend, and when we do, with regards to those “good times”, we'll pick up right where we left off! Ray Saracino

“ Tom was our beloved neighbor, along with Anita and Emilee, at our cabin on N. Dease Lake in Hale Michigan. One of the first things my husband, Jim Price (deceased) did when we arrived at the cabin, was to go over and visit with Tom, either on his boat or on his deck. They would talk for hours. Things won't be the same with both of them now gone, but we have many years of wonderful memories to carry us forward. My love and prayers go out to Anita, Emilee, and their extended family. Love, Cathy Price

“ Tommy Moseley. Where do I begin. Always a business man, that’s for sure. Your presence was never short of a story, or a ‘guy you know’ or an interaction with someone that they probably still talk about today. I came into your world because of the daughter you raised, my best friend. And I thank you for that. You and Anita were a true staple in my stages of becoming an adult, whether throughout high school or college and beyond. (Begrudgingly allowing Emilee to attend MSU haha go green). The memories of watching your family gravitate around ‘UT’ during holidays, birthdays, or up north, were a dignifying presence. There is no doubt that it will continue to live on for years and years to come. I’ll have a Michelob ultra in your honor, Mr. Tom. May you rest, hang with Brandon, and continue to watch over your family as they live long healthy lives. Xo Kaitlyn.
