“ I worked with Tom the last few years before he retired. I used to tease him that I would be willing to buy his hot rod for a ridiculously low price like \$10,000. I loved making him laugh. He will be missed.

“ We sure had some fun times together. I loved when we would sit out and Tom could “Name That Tune” (even though some of his lyrics did not match mine) 🤔. Loved his joke-telling ability... although he usually laughed hardest! His memory will live on. ❤️ Corey & Kim

“ *Tom was a friend to everyone. My husband included. I remember visiting him in the print shop and he encouraged me to pursue graphic design and pre-press. I did so on his advice. Pre-press became my career for 30 years. I owe him much gratitude. My husband and I saw him again at AutoRama in Detroit. Still was the same old happy guy. Thank you Tom.*

“ *Hugs and prayers to Kathy and all of Tom's family. His ability to create beautiful wood furniture, win easily at '65 and 99,' and be a kind friend touched those of us who met him at the TIP.*

“ I worked with Tom at Chrysler for MANY years. We spent a lot of hours together when we both worked in the print production department.

Tom was a kind man and a heck of an entrepreneur. He will be missed in this world.

Kathy, you are in mine and Rolanda's prayers.

Eternal rest grant unto Tom, O Lord, and let perpetual light shine upon him. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

Kathy, This was such a shock. We are so sorry. We're looking forward to seeing you both in Texas. Tom was such a gifted, talented, helpful man, and had such a great sense of humor. Gone too soon. Too young. I will be praying that the Lord will give you comfort and peace. He has all the answers. Sincerely, Linda and Steve. ❤️🙏

“ Tom was such a warm wonderful man. He was everybody's big teddy bear. I am sure going to miss those Wednesday talks we used to have and Craig and I loved a great game of Euchre with him. He always had time to talk about life, travel, and the love of his life, Kathy. He will be truly missed by all his friends.

“ My condolences to the family. Tom and I went to High School together and spent 3 years in the print shop together. My fondest memory is when we would cruise in his black Chevy Impala convertible. We would drive up to Port Huron for the football game and drive back top down, heat blowing full blast. He was a great guy! Jack Tomtishen
