“ I have been shocked and saddened to discover Todd's death. He stayed at my family's house a few weeks in 1997, and his mother Pamela and brother Erik generously invited me to come at their's in 1998. I will always keep the memory of a very generous and spontaneous boy; he was so eager to meet new people and discover french life. My family and friends who knew him join me in sympathy for his parents, brothers and sister.

“ I have worked with Todd over the past couple of years and I will always smile at the stories that he shared with me. I am heart broken to hear this news but I believe that Todd is a strong young man that is at peace. Please let me know when the memorial will be. You can email me this information. I will always smile at the thought of Todd's smile!
