“Goodnight Dear Niece, Dear Ms. Tracy, you will always be in my heart. As we had talked I am so glad you were able to keep up the fight on the big-C to nurture your precious Grandson Ben for his first two years of life. I always found you without exception over the years to be a sweet good hearted person devoted to your family. Yep you were a great Mom, Wife, and Daughter and in your new role as doting, loving Grandma. I take solace you are at peace on to the next journey in life. God Bless.”
