“ *I know this is a little late, However, Mrs. Barrows was my favorite teacher throughout my whole school career. I had her in 3rd grade at Warrendale Elementary, I was then her kindergarten helper when I was in 5th grade and she was my oldest son's kindergarten teacher. She came to my middle son's baby shower and I was ecstatic because she truly was an amazing woman and touched my life like no other teacher. She was amazing and always had a candy in her room! She will forever be missed! Sending prayers and condolences to her family.*

“ *I remember having the greatest times at the cottage, the old one. Vicky, Marie, Eleanor, Pam and I all playing cards and laughing. It was such a joy to be there. Cramped, but fun. I will always treasure those days. Sandy McGinnis*

“ *While I didn't know Victoria, I had the privilege of working with her
amazing daughter Jane for many years at Defer. Victoria gave us a
wonderful woman who also put herself last and takes care of others
with great love and kindness
I am so sorry for your loss.

“ I had Ms. Barrows for Kindergarten at Warrendale Elementary. She was the most amazing teacher and one of the reasons I went and became a teacher. Her love and teaching skills couldn't be matched, she will be missed.

“ Jane,
I remember that your mom had the bedroom upstairs in your grandparents home. Sometimes your grandma would open the door and yell up to us in her broken English, I know what you girls are doing up there! Of course she did She probably could smell it We were smoking.
Your grandpa would look at me and say “Eat. Patsy, eat! He always thought I was too skinny.
