“ I am wishing deep healing for the Finazzo family after the loss of their beloved Father. I have known Mimmo and Francesca for over 20 years, as we raised our children together. There are no words to properly express the utmost respect I have for them. I have met Mimmo's Father a few times, but his legacy shines so obvious in his son and family. Faith, loyalty, morality and strength are some words that apply. The fortitude of the family and their history is honorable. I have been and I am still blessed to have such wonderful friends and to have been able to raise my children along side theirs. Thank you, Mr. Finazzo for your legacy to all of us, from a life well lived. I'm sure you are walking along a street of gold, right now with your beloved wife.
