“*I still remember him bringing the big RV to one of our golf outings with the Livernois group, and once we arrived at the resort, he pulled it right in near the bag drop area. When he stepped from the RV, he had a big cigar in his mouth and said something like "Heidi-Ho Boys - let's do this course!" He was a good guy and my thoughts and prayers are with you.*”

“*Dear Aunt Dolly and family, Tara and I are so sorry to hear of your loss. I have many fond memories of Uncle Vince from as far back as I can remember. We always enjoyed going out on Lake St. Clair with you, and I fondly remember visiting you in Traverse City a few years ago after Chuck's wedding. I'm glad that despite living so far away, I was able to see Uncle Vince a few times in the past couple years. He was a really nice guy and will be missed by many.*”

“*Dolly and Vince, You did a great job had a wonderful family and life! I think God smiled upon you both on earth and continues to smile on Vince now in the hereafter. I know my Dad, Mitch Kolasa enjoyed Vince's company as well he told me more than on one occasion how they had lunches together. He always complemented Vince to others and though highly of him. I remember your wedding; always will, because it was the only one I attended where there were two receptions a morning one as well as an evening one. God Speed to Vince his job is now over as for the rest of us we still have work to do here. Dolly There are no words to express my true feelings on your loss, but rather, just a few tears as I write this.*”
