“ This was last year June 2023 , when we celebrated Christina’s Birthday at Mrs Buffa’s place. Oh my the shenanigans that went on that day and the laughter we all had. I’ve know Mrs Buffa for 49 years. I must say I have never been around her that she didn’t make you feel special. Always caring ...how’s your Mom , how’s your sisters ... always taking the time to ask and care..She always had a beautiful and joyous smile on her face , like she was genuinely glad to see you ! You felt special because she was special. I surely will miss her sillyness! Even when , you know she felt like crab , she rose above it and pushed through it and always made the best of things! Boy she sure was one strong lady and she loved life and her family and that is why she fought so hard for so many years to stay here. To all her family Aunt Marie, Christina and Bill, Lisa and Jeff, Tony and Rachel, Sammy and Becky and Theresa and all her grandchildren and great grandchildren I am so sorry the your loss of this beautiful, kind hearted women . I am going to miss you Mrs. Buffa but I know you are happy to be back with Mr. Buffa and all your family in Heaven that have been waiting for you. Lots of love , Always your Lil girl, Sandy
