“ Brian, Bonnie & Family I believe I only met your mother and father once here at Water View. The love and compassion that you exhibited left an impression, particularly when you were fishing with your dad. Having suffered the recent loss of my mother, I feel your pain. Thank you for your support during that time and I offer you my best during this sad time. You just have to remember Wednesday that it is a Celebration of your Mom's life. May God Bless and may you be at Peace. Jim & Lynn

“ Pam, Brian, and Richy, I am so sorry to hear about the loss of your mother. Having had been there over 16 years ago, I can feel what you are going through. Vicki shared your announcement with me and I read it last night after I got home from work and I started to cry. I have many memories of your mom, having grown up with you Pam, and spending so many Sundays and overnites at your parent's home. Your mom and your dad were always so much fun to be around. I know there are those in Heaven who have welcomed her and I believe that my mom and Tante Wally will have a chat really soon! What a great day when we all will be together again. Thinking about all of you, regards to your dad. Love, Karen

“ I remember Wally as compassionate, humorous, and generous. I never remember her without a smile and a joke. Through the most difficult times in our lives, she showed great compassion, support, and a listening ear. When I moved overseas for missions, she supported the work in China there as well as showing her outpouring of love to me. I remember walks I'd take early in the morning with my Mom and her and how wonderful it was to see them pleasantly chat and laugh. What a dear lady!
