“ I remember your husband (Dad) walking the neighborhood. With a stick in his hand he kept the neighborhood safe. Bless and keep him safe in Heaven.

“ To Aunt Helen and all of the Perosky Family, I know what a difficult time this has to be for all of you. We wish we were closer and could be there. Please know you are in my thoughts and prayers. Thoughts of Uncle Walt make me smile! He always had kind words and a smile for me and never failed to make me chuckle. What a legacy he leaves with your large, loving family. May God bless you all. Lovingly, Kathy Portaro

“Dad - Words cannot say how much Dave, Christian and I are going to miss you. You and mom were our rocks and the steady guiding forces that we often looked to. Simply said... you were loved. Rest in peace - Dad. Thank you God for having given him to us for 86 years. We were all blessed by having him in our lives.

“Family and Friends of Uncle Walt, My thoughts and prayers are with all of you. Uncle Walt will be missed. I will never forget the advice he has given me over the years including the conversation of how to live life to the fullest while standing guard at the bar with Brother Tom on my wedding day. Just a few months ago, after meeting my youngest daughter Sarah who is 7 years old, he stated "Don't break that kid's spirit". May his words of wisdom and memories live forever in our hearts. May God bless Uncle Walt. Robyn (Teddy Ann's Daughter)

“ Dear Family, Remembering a dear Uncle with a great sense of humor. He always had a song and a tease in his heart. I fondly remember being his first niece and top dogs TommyPaul, ConnieLee hanging out in Hazel Park---That was before the rest of you came along. Staying over the weekend was so much fun with my cousins. One November we had a huge snowstorm and not being prepared Uncle Walt took us to Federals and bought me a pair of those rubber boots you had to pull on over your shoes. He sang "OH THEEDORA SIT ON THE FLORA" so the entire store could hear his song. My Dad told me that all the Perosky Brothers from PA had nicknames, Uncle Walts was Spearmint because he chewed Spearmint gum and there was Birdlegs, Donks and Bongo----you guess the rest. He has a big homecoming in Heaven with his brothers where they can debate politics, wars, unions and play a little poker and drink some beer. Sadly missed but the memories of the holidays we shared growing up---seeing your smile at Christmas and complementing our Easter Dresses and yelling at us stop running or go outside are all good. I wish you well Aunt Helen, My Mom told me when Uncle Walt first met you He came home and said he was dating the most beautiful girl in town---Blond hair perfect skin-----and you still are. God Bless, TeddyAnn
