“ I just learned of Bob's passing through a mutual friend. Although I had not seen nor talked to him in many years I remember him quite well. We were both into fast cars in the '60's and we used to talk and compare hardware often. Many times down at Angel Park. GOD Bless and GOD Speed Bob and heartfelt condolences to your family and those that loved you.

“ I remember many wonderful days visiting poolside with Bob and Eva and having some really good food. Bob was the master of the grill. I was lucky enough to go to Cedar Pointe and Kings Island and Aruba with him. He was a very kind easy going guy. He was funny. He was always there to take jessica to her dance class or skating. Family was important to him. We will miss him very much.

“ My condolences to Bob's family, especially Brad, (a cousin I haven't seen since we were little.) Words are never enough during these difficult times. I will always remember Uncle Bob would take me for rides on his motorcycle when I was visiting Grama. I would hear him coming down the street, smile and giggle, and go running outside. I always loved it when he came, it is definitely one of my favorite childhood memories....and loved his smile!!!! He will be missed by many I'm sure.
