

William Stacey Cook, D.C.

September 12, 1958 - June 30, 2025

Dr. William S. Cook "Bill". June 30, 2025. Age 66. Beloved and devoted husband of Kim for 22 years. Loving father of Stacey (Andrew) Hartwig, Stefanie (Joe) Hodges, and Emmy Cook. "Doc" was a beloved and highly respected chiropractor in Shelby Township for 43 years. He dedicated his life to the health and well-being of his patients, becoming a cherished member of the community he so passionately served. His compassionate care and commitment to excellence left a meaningful mark on countless lives.

Beyond his professional achievements, Bill was a man of many interests and talents. He had a passion for golf, often spending weekends on the green with friends, family, and brothers in chiropractic. His love for music was evident in the way he would light up at the sound of his favorite tunes, often filling his home with songs that brought joy to him and those around him. Bill also had a love of art, finding beauty and inspiration in a wide array of creative expressions.

Bill's legacy is one of kindness, dedication, and love for life that touched everyone who had the privilege of knowing him. He will be deeply missed by

“ Dr. Cook, Kim, and his staff have been like a part of the family for nearly 40 years. He has cared for three generations of the Craun family, and we are forever grateful for his warm smile and gentle heart. He made us feel important. He made our bodies stronger, encouraging a natural approach to wellness and health. He made our spirits stronger by sharing a sense of community. He will be dearly missed. God speed, Doc. We'll see you on the other side.

“ 41 years ago, my mom came home and said she found a new chiropractor and "he's a very nice, young man. He's wonderful; you should go see him." I took her advice. I was 13 years old and am now 54. He was my doctor for 41 years. I can't tell you how many times he saved me from horrible neck or back pain. He was always caring and kind. I even brought my wife into the fold, and she had been seeing him for over 20 years. He helped her when she was having seizures and always remained a ray of hope. How do you ever thank someone who had helped you so much? He was a doctor and a friend. Now he is with God and no doubt, making Heaven an even better place as well. May you find comfort in what he meant to all of us. God bless you and your family. With love, Glen and Barb.

“ *Kim and Cook Chiropractic Family,
We are deeply saddened by the loss of Dr. Cook. Mel and I have been patients for years. Dr. Cook and staff made us feel like family. Bill fixed every issue that we presented to him. We will miss his radiant smile and the laughter we shared with each visit. We talked about golf at every visit! We are sorry that we will miss the service. We will be in South Carolina. You and the family are in our prayers. May you feel the love, peace, and comfort of our Heavenly Father.*

Dr Cook has been our family's chiropractor for over 16 years. We were so shocked and saddened to hear of his passing and will greatly miss seeing him for care. We are praying for all of you who feel the vacancy so strongly, and that your grief is eased by knowing the life he lived was joy-filled and joy-giving.

Dr Cook changed my life, taking me out of the whirlwind of medications that don't work and into a healthy life without pain. My deepest thoughts go out to his amazing family and staff!

What a shock and what a sad day it was when Bill passed. Susan and I have known Bill and Kimmie for what feels like a lifetime ..we've experienced so much with them and our Chiropractic family. A big part of that family was our golf gang! What fun we had...what stories we could tell. But the stories will never be the same without our great friend "Cookie"...

May God help us find peace with his decision...

“ I have been a patient of Dr. Cook for about 15 years. I will always be grateful that he helped me through some physically difficult times. I consider him and the folks in his office as another family. Everyone is friendly and helpful. I appreciated that he remembered and would talk about the current events in my life during my visits. I extend my most sincere sympathies to his family and coworkers. I will truly miss him.

“ I have been apart of the cook chiropractic family for just over 15 years. I often told I loved him and was moving in, cause he always got a few layers of knots out every time. He listened, no matter what. He gave you his time and truly cared about every person he came in contact with. My whole family loved coming to your Holiday events, the kids loved him. All of your staff is amazing.

“ Dr. Cook was one of only two doctors that I trusted in this world. Now he is gone. He saved me from at least 2 surgeries that money hungry docs wanted to do. He was the best. A delight to talk to and very knowledgeable about health in general. He will be missed. My condolences to all his family and friends. Rest in Peace Doctor Cook. Ron Maki

“ My heart is heavy from hearing of Dr Cook’s passing. I am sooo sorry to have learned this. He was such a good person and a great Doctor, one of the few that I trust. He was always so kind and caring.

He was always having giving back to the community through the donations of food or coat drives in the colder months.

You always left feeling better after visiting him. He not only helped you feel better physically but also mentally, for he was always so optimistic and positive. Just a pleasant person to be around.

I hadn’t had an adjustment in quite awhile and I had been thinking of giving him a call. He helped more than many other drs have, without surgery or pills.

Rest in peace Doctor Cook. You will always be remembered.

My sincere condolences to Kim and family.

Big big hugs to you at this must difficult time.!
