“ I have wonderful memories of meeting my Uncle Bill for the first time in 1981 and again in 1998. He had a great sense of humour and , oh, what a tease he was! you are at peace now with Doris (and with my Mum, Madge) I know there is a big Scrabble game any many cups of tea in Heaven now and many, many laughs. Lots of Love Gill and family (Australia)

“ Anita and Bill, I am so sorry to hear about your loss. Anita, your dad was a great man who loved life. May God give you both the strength to endure your grief during this time. You are both in my thoughts and prayers. May God bless you.
