“ I am saddened to hear of Bill's passing. It has been many years since we've crossed paths, but I always enjoyed his dry humor. We go back to the days of Pioneer Engineering, and Bill was always considered a mainstay of our industry. He will be missed.

“ *Worked with Bill for 5 years at Megatech. We had lunch together most days and it was always a good time. I miss him already. We were planning to look him up when we return to Michigan in July.*
