“Dear Kathie, David, and Mark: We are all saddened over the passing of your dear Father. It is always too soon, even though we think we may be ready. Your Dad was a treasured friend of my Dad, and they have often encouraged each other in phone conversations over the past few years. You can be very proud that you had such a gentle and honorable man as your father - a man's man, and a sweetheart. Both of your parents have been such a huge blessing to the church and the church family. Thank you for sharing them with all of us. Remember your Dad looking in at the kitchen table to see what Norene and the girls were laughing at, shaking his head, and heading to the basement Sending hugs your way. lynne & all”

“I will miss you Daddy!! You taught me so much just by you being there, from how to turn a screwdriver, connecting a switch to being quite in the woods which I could never do, because I had to tell you all the wonderful things I was seeing and experiencing!! Guess that's why I couldn't go hunting, "Chatty Kathie" lol. You always brought me home the bunny tails I loved you for that. We did love camping, the real way, ruffing it as you put it. A bath meant the river and a campfire was a pit with logs. You were a quite, gentle man to me who could fix or build anything. No job to big, no job to small for you! Guess that's were I got it from. Thanks Daddy for all you gave me.”

“I am so sorry to hear of Bill's passing. The last time I saw him was after church September of 2010. I was in Michigan for my 50th High School reunion. His daughter Kathy picked me up at my hotel and went to Bill's favorite waffle shop. We had a very long 2-hour Breakfast. Bill's late wife, Noreen was my cousin. Bill was a wonderful husband, father and always treated me as his cousin too. I will miss him and his fabulous smile, God Bless you, Bill. You and Norene are together again. My condolences to my cousins on their loss.”
