“*Nearly a year has passed and I miss you Zach! My life has been changed for the better having known you and your family! I know you are in a much happier place and cancer free but i miss movie nights, dates to the theatre, your deep-hearted laugh! Thinking of you today and every day and being reminded to love unconditionally, not to judge others, and to be kind to everyone I meet! Love you to Heaven and back Zach!!*”

“Dear Howell Family, It is with a heavy heart that I would like to express my deepest sympathy at the loss of your beloved son, Zachary. I was honored to be his elementary school teacher at Greenwood for several years. He was a joy to have in class, always with a smile. He was fun-loving and worked so hard even then to overcome difficulties. As we became FB friends over the past few years, I enjoyed following his GREAT & AMAZING adventures. His positivity was contagious. Even though he was taken so young, you should be so proud of what a fine young man, who touched so many lives, he was. Bless you Zach....only the good die young.”
